

WARNING!

THIS IS A PORN MAGAZINE!

REMOVE FROM CHECKOUTS! Take action at CosmoHarms.ca

Dear Retailer,

Cosmopolitan magazine is a visually hyper-sexualized and verbally pornographic magazine, glamorizing things like public, group, anal, and commercial sex in nearly all their issues. We are asking that Cosmo be removed from the checkout lanes of retail stores, away from the eye-level of children. Please join the fight for a world free from exploitation!
