### I. ABOUT DEFEND DIGNITY:

Defend Dignity (dD) works to end all forms of sexual exploitation in Canada. dD is an initiative of The Christian and Missionary Alliance.

Commercial sexual exploitation includes: pornography, strip clubs, escorts, massage parlors, prostitution, camming and sex trafficking. All involve the selling or exchange of sexual acts which undermine the dignity of women, men and children and are detrimental to a healthy society.

Defend Dignity works to end all forms of sexual exploitation through:

- Raising awareness on the realities of sexual exploitation through events and resources.
- Advocacy for law and policy reform with all levels of Government and with companies and organizations.
- Aiding survivors through the Survivor Support Fund and First Response Bags

Further information about Defend Dignity can be accessed at [www.defenddignity.ca](http://www.defenddignity.ca).

### II. ABOUT THE FUND:

The Defend Dignity Survivor Support Fund was created to provide accessible financial support to individuals who have experienced any form of sexual exploitation in Canada, such as prostitution, sex trafficking, camming, escorting, massage parlours, strip club involvement, survival sex, and/or involvement in pornography. The age requirement to access the fund is **16 years of age and over**. A maximum of \$2,000 can be accessed per person who receives assistance from this fund per year. Defend Dignity recognizes that every application we receive for funding is significant. Due to the number of applications we receive and limited funds available not every application will be awarded funds. We encourage agencies/churches to reapply in the next SSF Intake session if the need is still relevant or a new need has emerged. **Please note that this fund can only be accessed by referral from a church or non-profit agency. Survivors cannot apply directly.**

It will not be disbursed to the survivor.** It is the expectation of Defend Dignity that the agency/church will then either:

- b) ensure that the funds are utilized for the intended purpose.

The financial gift can **ONLY** be used for its intended purpose as outlined in the accepted application. Defend Dignity requests that a letter advising that the funds have been utilized as approved be submitted which can be uploaded here along with a Follow-Up Questionnaire which can be completed [here](#). The agency or church receiving and dispensing the funds is responsible for any needed tax reporting of benefits on behalf of the individual(s) benefiting
